

Important: Changes from 28th September 2020

It is wonderful having all the children back and lovely to meet all of the new children.

Thank you for bearing with us over the last 3 weeks with the reduced hours. We are now able to offer full hours from Monday the 28th September 2020.

Your child will be in a group with up to 13 children and 3 teachers in each session, the children and teachers may vary in different sessions.

There will be two groups of children and two groups of teachers and these groups will be kept separate.

The groups have been organised so that your child can now be with their keyworker.

The start and finish times will be staggered to avoid everyone turning up at once. Please arrive promptly at your allotted time and remain in your car until you are asked to come forward by a member of staff, Children will still be required to walk the last two metres to the member of staff alone. Children should be dropped and collected from the main doors of the Canon Roche Centre. Should your child become distressed then we would ask you to wait until staff have the rest of the group in and then come to the back entrance by the garden and we will try our best to settle your child, should your child not settle then you may be asked to take them home and try again at their next session.

These changes will take place from Monday 28th September 2020.

Should you need to drop or collect your child at any other time than stated above please send an email to billericaycatholicpreschool@gmail.com and we do all we can to accommodate with your timings.

Should you have any questions or worries, please contact us.

We will continue to follow government guidance, and should we need to make any changes, we will contact you.
